Declaration of Second Major -OR- Second Bachelor's Degree

- Second Major** (within same degree): Only your primary major will appear in the commencement program or on a transcript (after degree conferral, both will appear on your transcript). A detailed program of study for both majors and authorized signatures from the Chair or Director of the second major (and Dean/Director if required by college or school) are required in order to declare a second major. Refer to the University Catalog for further information.

- Second Degree** (to be earned concurrently with first):

WARNING: This form may only be used to declare a second degree if both degrees will be conferred concurrently. If you wish to have your first degree awarded prior to the completion of all requirements for the second degree, you may NOT use this form, and MUST apply for re-admission for the second bachelor's degree. You should apply for re-admission effective the semester following the term in which your first bachelor's degree is awarded. Students must present at least 30 additional Mason credits beyond those required for the first degree in order to be awarded a second bachelor's degree. If concurrent conferral is selected, complete this form. A detailed program of study for both degree programs and authorized signatures from the Chair or Director of the second degree program (and Dean/Director if required by college or school) are required in order to declare a second degree. Refer to the University Catalog for further information.
