Graduate Assistant Full-Time Status Form

Graduate students with assistantships of 20 hours per week are considered full-time when they are registered for at least 6 hours of graduate credit and have submitted this completed form to the Certification Services section of the Registrar's Office. Full-time status may be required for reasons such as F1 visa maintenance and health insurance eligibility. Students with this full-time exception are not considered full-time by Financial Aid. However, only half-time status is required for student loan deferment purposes.
