Full-Time/Half-Time Equivalent Status - Doctoral Dissertation Research (Must be submitted <u>every</u> semester)

Students require full-time/half-time status for a variety of reasons including health insurance, financial aid, loan deferment, VA benefits, and F1/J1 visa status. Doctoral students enrolled in 6 credits of 998 or 999 are considered full time. After advancement to candidacy and completion of one semester of 999 (3 credits minimum), students may then be eligible for full-time/half-time status beginning the following term with 1 credit of 999 if they have completed the minimum number of credits required by their degree program including the minimum number of credits of 998 and 999 required by the university and their program and the appropriate approval is documented using this form.
