

Change of Home Campus

(from Fairfax to Korea)

Mason Fairfax students who wish to spend one or more semesters in Mason Korea can apply for the [Mason Korea Study Abroad program](#). However, if a student wishes to enroll at degree programs on the Korea campus for more than a year, a student should change his/her home campus from Fairfax to Korea by filling out the form below.

INSTRUCTIONS

1. Discuss your future academic plan with an academic advisor before filling out the following sections of the form.
2. Go to [Patriot Web](#) and make sure that you are not registered for courses in the upcoming semester.
3. Students must be free of all administrative holds.

 (check all that apply) Others _____

Do you need a visa to study at Mason Korea? If yes, please specify which visa status you plan to obtain.

D-2 Other: _____

IMPLICATIONS OF CHANGING HOME CAMPUS TO KOREA

- You must declare a degree program that is offered at the Korea campus as your major.
- You must spend 2 semesters or more on the Fairfax campus to complete upper-level major requirements.
- Your arrival to the Korea campus must be reported to relevant Korean government authorities including the Ministry of Education, Korea Immigration Service, and Military Manpower Administration (if applicable).
- After the change, you will pay your tuition fee directly to the Korea campus (Korea campus rate applies, In-state rate may apply for eligible students)

By signing and submitting this form, I acknowledge that I have read and understood the above information, accept responsibility, and officially declare my intention to change my home campus from Fairfax to Korea.
