

How to Generate a What-If Analysis

Including How to View Future Classes

To Generate a What-If Analysis

- ▶ Log into Degree Works from Patriot Web. (For advisors, enter the student's G number.)
- ▶ Select your View located under the header. The Student View is the default.
- ▶ Select the What-If tab.

The screenshot shows the Degree Works interface. At the top, there are two tabs: 'Academic' and 'What-If'. The 'What-If' tab is highlighted with a red box, and a red arrow points to it from the right. Below the tabs, there is a 'Format' dropdown menu set to 'Student View' and a 'Degree progress' section showing 'Overall GPA 2.00'. At the bottom left, the 'Audit date' is '4/9/2021 10:20 AM'.

- ▶ Select the correct program information from the drop-down menus for your primary What-If Analysis beginning with catalog year. Some subsequent fields will automatically populate depending on your selections.

What-If Analysis ^

Use current curriculum

Program

Catalog year * 2020-2021	Level * Undergraduate	College * School of Business
BS Business Business Major Undeclared CERB Accounting		
Major * Major *	Concentration	Minor

- ▶ Select the areas of study including major, concentration and minor. Major programs which require a concentration are marked with an asterisk.

Areas of study

Major * Business	Concentration Accounting	Minor Chinese
---------------------	-----------------------------	------------------

- ▶ Select additional areas of study* if applicable. This is where you can select additional components such as a second concentration or minor. Additional areas of study will not auto-populate. Please only select areas applicable to the primary major.

**The What-If cannot be run for double majors.*

Additional areas of study

Major (0/393)	Minor (0/201)	Concentration (1/668) Management
---------------	---------------	-------------------------------------

- ▶ When all applicable areas have been selected, click on the Process button at the bottom of the page. The audit will return the results of the What-If Analysis.
