

# GRADUATE SECONDARY MASTER'S PROGRAM APPLICATION

PROGRAM

FOR CURRENT DOCTORAL STUDENT USE ONLY

Students who wish to enter a Dual Master's Program  
must use the Dual Graduate Degree Program Proposal form.

Student's GNumber

Last Name, First Name

Mason E-mail address

The following are university minimum requirements; individual programs may have higher standards and/or more restrictive requirements.

- Some Colleges may require a full admissions application. Please contact your college for details.
- Residency derives from the doctoral degree requirements.
- Time limit will derive from the doctoral requirements, although programs may reject coursework that is not sufficiently current.
- Students must be officially admitted to degree status in the master's program a full semester before the semester in which they will complete master's degree requirements, i.e. admitted in fall for graduation the following spring.
- Students must complete a minimum of 42 credits unique to the doctoral program.
