Participation in Graduation Ceremonies

2026 Fall Graduation
Thursday, December 17, 2026

The Fall Graduation ceremony is open to the following students: all Fall 2026 graduation applicants who expect to complete all degree requirements as well as doctoral graduates from Summer 2026.

For detailed information regarding the university's graduation ceremonies, please visit the Office of University Events website at events.gmu.edu.

George Mason University provides official degree and enrollment verifications electronically as secure PDF documents produced by the National Student Clearinghouse as Authorized Certifying Agent for the university. The verification bearing the watermark seal of the National Student Clearinghouse is valid without signature or university seal and does not require printing on security paper.
