(Note: You can add multiple subjects at once.)

After clicking Search, you will be able to see the classes and their meeting times. If the course meets online, the Building and Room will read as ON LINE; if the course meets in person, there will be a building and room listed. If both are there, the course is a hybrid course.

If the course has section notes, you will see those displayed in red under the "Notes" column.

If the course has a linked lab and lecture, a View Linked button will appear in the course's row.
