The screenshot shows the Patriot Scheduler interface. At the top, there is a logo with a portrait of a man and a clock, and the text "PATRIOT SCHEDULER". Below the logo, there are dropdown menus for "Course Status" (Open), "Term" (Fall 2013), "Parts of Term" (All Parts of Term Selected), and "Campus" (1 of 10 Selected).

There are two main sections: "Courses" and "Breaks".

Courses: A table with columns: Course, Options, Info, and a trash icon. It lists three courses: CHEM 101, ENGH 101, and HIST 100. Each row has a "View/Edit" link and a trash icon.

Breaks: A table with columns: Name, Days, Time, and a trash icon. It lists one break: "Afternoon Job" on MWF from 1:00pm to 5:00pm.

Below these sections is a "Schedules" section with a "Generate Schedules" button and the text "Generated 29 schedules." Below that is a "Compare" section with a table of three schedules, each with a "View" link.

One of the "View" links is selected, leading to a detailed view of a schedule. At the top of this view, there is a red warning: "*You are viewing a potential schedule only and you must still register." Below this is a table with columns: More Info, CRN#, Subject, Course Section, Open Seats, Day(s) & Time(s), Date, Location(s), and Campus. It lists three courses: Chemistry [CHEM], English [ENGH], and History [HIST].

Below the table is a calendar view showing the schedule for Monday through Friday. The schedule shows CHEM-101-001 on Monday and Wednesday, and ENGH-101-027 on Tuesday.

At the bottom is the "Patriot Scheduler Registration Cart" section. It contains a table with columns: Select, CRN, Subj, Crse Sec, Title, and Status. It lists three courses: CHEM 70058, HIST 70154, and ENGH 71612. Below the table are buttons: Register, Add to WorkSheet, Save Cart, Clear Cart, and Reset.
