Submitting an Undergraduate Re-Enrollment Application
Students

Undergraduate students may request re-enrollment to Mason by completing an Undergraduate Re-Enrollment Application. The form will be reviewed by an advisor, and if applicable: International Programs & Services (OIPS), Admissions, BIS, Nursing, and your school/college Dean. Once approved or denied, you will receive the result through your Mason email.

1. Sign in with your Mason credentials. Select your Re-enroll Term.

Select which semester you want to return. If you complete this on or after the 1st day of the requested semester, the form will go to your college/school Dean for additional approval.

Indicate whether you're changing your major. If Yes, please complete that before completing this form.

2. Address and Personal Email

Select your address and personal email from the drop down or add a new one.

3. Academic History

Review that everything is accurate.

4. Questions about your Absence and Return

Select Yes or No about the following questions. Depending on your answer, more details from you and additional approval will be required.
