Permission to Study at Another Regionally Accredited U.S. Institution

Currently enrolled George Mason University students who wish to take courses at another regionally accredited U.S. institution must obtain advance written approval. This process permits a student to enroll elsewhere in a suitable course unavailable at Mason or through the Consortium of Universities of the Washington Metropolitan Area. Students who wish to Study Abroad must contact Mason's Global Education Office. Students wanting to pursue study through the Consortium of Universities of the Washington Metropolitan Area should contact the Registrar's Office.

- The Permission to Study at Another Regionally Accredited U.S. Institution form can be found at registrar.gmu.edu. Submission of this form does not guarantee approval.
- Catalog numbers and descriptions of courses to be taken elsewhere must be submitted with the request for approval.
- A minimum course grade must be achieved, however, grades themselves do not compute into any Mason GPA. For undergraduate courses, a minimum grade of C (2.0 on a 4.0 scale) is required.
- Undergraduate students must obtain advance written approval from the academic dean of the school/college offering the course to be taken elsewhere **and** from their major academic dean.
- Upon course completion, students must submit to the George Mason University Office of the University Registrar an official transcript from the visited institution for all course work taken elsewhere.
- Advance approval to study elsewhere is required. Undergraduate students who enroll elsewhere without advance written permission will not receive transfer credit for course work taken at other institutions unless they re-apply for admission to Mason as a transfer applicant and meet all priority deadlines. Re-admission is not guaranteed and transfer credit is awarded based upon course equivalencies in effect at the time of re-admission.

Special instructions for undergraduates:

- Once enrolled in degree status at Mason, students may request permission to take a limited number of credits at another regionally accredited institution.
- Students must be in good standing with a minimum cumulative GPA of 2.00 in their Mason courses to request permission to study elsewhere.
- Individual colleges/schools/institutes determine restrictions on the number, type, mode of delivery, location and offering patterns of courses that can be taken at another institution.
- Freshmen and transfer students in their first semester at Mason are not permitted to study elsewhere.
- Courses previously attempted at Mason (including withdrawals) cannot be taken elsewhere.
- Students must meet the minimum 30-hour residency requirement at Mason.
